

XYZ SYSTEMS CONSULTING

SERVICE REQUEST: SR-mf-005 LAN Design- Boise Office

Requester	Description
Hugh Generic	Create a Requirements Document and a Logical Design for the LAN for Generic Financial's Boise office.
Location	
Boise, ID	
Background	
<p>Generic Financial has completed the tenant improvements on its Boise, Idaho office and is getting ready to formally open its office there. Mary Prince met with Hugh Generic and discussed the company's needs. A transcript of the conversation can be found in the student area. A formal requirements document and a logical design, based on Hugh and Mary's conversation, need to be prepared and approved before work on the network can proceed.</p>	
Expected Results	
A Network Requirements document. A Logical Design for the LAN.
