Background

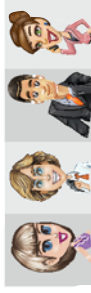

Summary

Hello World! I'm a 30 fun-loving kind of guy who can brighten up any office. People always call me the life of the party, but I promise I never (almost never) drink on the job. I really don't see the point in all of this, but my cousin told me having a LinkedIn profile could help me land a new job. Any takers? Trust me, you want to see this smiling face around the office. I know I'm pretty darn good eye candy in the office.

As for me professionally, I have a can-do spirit and love take on new and exciting roles. Admittedly, I'm an account by training, but I promise I'm not one of those boring ones you see on TV. In fact, accounting is only a really small part of my job. I want to be a free spirit and look for new creative outlets. So take a chance and hire me, you'll never be sorry.
