- Identify methods for evaluating operational processes.
- Analyze healthcare organization quality improvement methods.

Course outcome(s) addressed in this Assignment:

HA499-1: Knowledge Base: Demonstrate a sound foundational knowledge and understanding of the principles and practice in healthcare regarding administration, management, law, economics and policy.

Instructions:
For your Capstone Project, you will be performing research on a real-life healthcare organization. Drawing upon your learning in previous courses, you will be asked to analyze various facets and provide a detailed picture of the organization. The Capstone will consist of three sections. Each section is to be 1,600–2,000 words. Each section should have at least four references so there is a total of 12 references for the final Capstone Project submission in Unit 9.

Section 1 — Submitted in Unit 2

Proposal and introduction of project
- Select hospital from the list
- Write introduction
- State selected organization
- State rationale behind the selection of the organization

Analysis of the organization
- Describe the organization's structure:
  - Facility physical settings
  - Patient or client base
  - Level of clinical activity and research
  - Describe the mission, vision, and goals of the organization and how the organization supports these items
  - Community and global impact

Compose your sections using Standard American English as described in the APA guidelines available at Kaplan University Writing Center. You need to follow formal APA formatting for the project and include a title page and a reference page. Make sure you cite your reference in the text and on the reference page using proper APA format.

Your instructor will make suggestions for improvement and provide follow-up needed for Sections 1 and 2. It is your responsibility to incorporate instructor feedback into the final presentation in order to achieve full credit.

Submitting your work:

Submit your Assignment to the appropriate Dropbox. For instructions on submitting your work, view the Dropbox Guide located under Academic Tools at the top of your unit page.

To view your graded work, come back to the Dropbox or go to the Gradebook after your instructor has evaluated it. Make sure that you save a copy of your submitted work.
