Job Objective

Business Manager

Summary

- I am a hard worker with great team skills who likes to complete the task at hand in an orderly fashion.
- I worked on a farm where I had to deal with people and order parts for equipment so I worked with all sorts of people every day.

Professional Experience

Packard Farms, Clare, MI, 48617, 2015 – Present

Maintenance

- Have worked on tractors and trucks throughout the crop season.
- Helped the manager clean around the shop and make sure everything was nice, neat and put back where it belonged.
- Mowed the lawns and made sure the yard looked presentable for when customers pulled up.

Six Roofing, Farwell, MI, 48858, 2012 – 2015

Roofer

- I hauled the shingles up the ladder and placed them onto the roof so the other employees could start working.
- I would go to Menard's and order pallets of shingles that needed to be delivered to the house we were working on.
- I would tear off the old roof and help start replacing the roof when the shingles arrived.
