39. “You can pay the _____, or pay the _____.”
40. One of the great challenges of local food is to make in _____ to people.

 **ACTIVITY 1-2 – ONLINE SCAVENGER HUNT:** In the film *Ingredients*, the filmmakers highlighted the work of Roxbury Farm, who travelled from the Hudson Valley to New York City each week to provide fresh produce to two different community-based nutrition agencies. Right here within 20 miles of WPUNJ there are several such similar community-based agencies, including:

- **City Green**, located in Clifton, NJ <http://www.citygreenonline.org/>
- **Eva’s Village** (and Eva’s Kitchen), located in Paterson, NJ <http://evasvillage.org/>
- **Health Barn USA**, located in Wycoff, NJ <http://www.healthbarnusa.com/>
 - For this activity, read through the websites of each of these agencies. Choose one of these agencies and based on what you learned in the film and on the website, respond in complete sentences to the following question. To receive full credit for this activity, at a minimum, you must provide at least 5 complete and clear examples to support your writing.
 - Who is the “community” served by the agency and how do the programs at that agency relate to the information from the film? (again, provide at least 5 examples connecting the agency’s programs to the contents of the film)
- (10 points total)

- ACTIVITY 4-3 – CROSSWORD PUZZLE:** Based on the information found in the article “Farmer in chief” complete the crossword puzzle below.
- (1 point each; 50 points total)

“Farmer in Chief” Crossword Puzzle
