Assignment 2-2: Unemployment

40 points

Purpose

To assess your ability to:

- differentiate between different types of unemployment.
- understand economic fluctuations and their implications.
- discuss the key macroeconomic concepts of GDP, unemployment, inflation in a context of a global economic system.

Action Items

1. Locate two recent articles on the unemployment in the U.S.
2. Write a one to two page paper.
3. In your paper, answer the question: **What are the costs of unemployment?** Support with the findings from the articles and other sources you would like to use.
4. Include a title page and a reference page. The reference page and title page are **not** included in your page count. Follow APA guidelines when you cite your resources and create your reference page.

Submission Instructions

- Submit your paper to [Turnitin.com](https://www.turnitin.com) at least **48 hours before the due date**. Respond to any feedback you received from this system.
- Click the **Submit** button to upload your completed assignment by **Sunday of this week**.

Grading Criteria

- **Content:** All of the required elements are included in the assignment; main ideas are addressed; content is correct, accurate, and of high quality: 0 - 20 points
- **Analysis:** Analysis of the information is evident: 0 - 20 points
- **APA Format:** Follow APA guidelines when you cite your sources. Up to five points will be deducted for **NOT** using the correct APA format

Time Estimation

Estimated time for completion: **2.0 hour(s)**
