- Intro → still needs a hook & overview of scholarship in your background section (right now - too general); research question needs to be @ the end of the intro  
 ↳ Hook, Background, question needs to be presented in 1 very clear, concise opening IP  
 \* Main focus of your paper isn't apparent until middle of Pg. 2
  - Paragraphs lack a clear organizational framework → need to follow TEASE  
 ↳ Evidence & close analysis is missing for most claims  
 ↳ This should be a detailed paraphrase of specific study details & data and/or direct quotes
  - Claims & evidence currently offered in this paper do not match your actual research?
- Need to work on careful EDITING (types & spelling)
