

Practice AP Psychology FRQ Module 10

Do your best to mimic the AP exam for this practice FRQ. During the exam, you will have 50 minutes to write two essays. So, during this practice, do your best to aim for completing this essay in about 25-30 minutes.

Before beginning, take a moment to review the Basic FRQ Rubric and the Ten Tips for a great essay on the class website/announcements page.

When you have finished, save and submit under the 10.00 FRQ assignment. Good luck!

Module 10:

Maria and Lisa are part of a group at the local high school that is trying to end the cliquishness in the high school that has led to fights after school. Explain how what each of the following terms might contribute to the situation.

- a) prejudice
- b) in-group
- c) social norms
- d) scapegoating
- e) equal status contact
- f) attribution theory
