

Assignment 4 – Joining Tables

Summer II 2017

The due date for the assignment 4 is **7/23/2016 (midnight)**. It must be submitted through the “Assignment 4 – Joining Tables” in Dropbox provided on the eCollege. It is important that you specify your name in the SQL file. The attachment name should follow the following convention:
BUSA326_ASSIGNMENT4_FIRSTNAME_LASTNAME.SQL

Import the assignment data code and use the following logical schema to answer questions below. Note that you won’t get any credits if you use codes that haven’t learned in Topic 5 – Joining Tables or before. **For each question, please write comments to indicate the question you want to answer (-1 point deduction if you don’t):**

1. Show the team names (1 point)
2. Show the team names, and captain last name and captain first name for each team (1 point)
3. Show all bowlers’ information, and their team name (1 point)
4. Show tournament date and location (1 point)
5. Show the raw score of each game for each bowler (1 point)

6. Show all information of bowler who never had, or had at least one or many handicap scores.
Note: must use JOIN tables to get credit (2 points)
7. Show all first name and last name of bowler who attend at least one tournament, and tournament date and tournament location that bowler attended (2 points)
8. Name your own query question and answer it (1 point)

The following criteria will be used to grade the assignment:

- Codes are run with detail comment, accurate, and answers are correct.
