# Assignment 5 – Subquery

Summer II 2017

The due date for the assignment 5 is **7/23/2016 (midnight).** It must be submitted through the "Assignment 5 – Subquery" in Dropbox provided on the eCollege. It is important that you specify your name in the SQL file. The attachment name should follow the following convention: BUSA326_ASSIGNMENT5_FIRSTNAME_LASTNAME.SQL

Import the assignment data code (skip if you did in last assignment) and use the following logical schema to answer questions below. You must **use subquery for each question** to get credit. For each question, please write comments to indicate the question you want to answer **(-1 point deduction if you don't).** Note that you won't get any credits if you use codes that haven't learned in Topic 6 – Subqueries or before:

1. Display bowlers who have never bowled a raw score greater than 150 (1 point)
2. List tournaments that have not yet been played (1 point)
3. List teams that play only in odd lanes (1 point)
4. Show all information of bowler who does not belong to any team (1 point)

5. Show tournament date, tournament location, odd lane team name, and even lane team name for each match in tournament (2 points)
6. Display team captains with a handicap score higher than all other members on their team (2 points)
7. Name your own query question and answer it (1 point)
8. Name your own query question and answer it (1 point)

The following criteria will be used to grade the assignment:

- Codes are run with detail comment, accurate, and answers are correct.
