# PRINTER RECYCLING FAIR

Wilson Avenue Community Center

Color printers  
urgently needed for  
local schools this  
year.

We are currently  
accepting used  
toner cartridges,  
which we can  
refurbish and refill.

Unfortunately, we  
can no longer  
accept dot matrix  
printers.

Please provide the  
original packaging  
for your printer, if  
possible.
