

CRJ335 Portfolio Project Deliverable: Evidence Chart

List and describe all possible evidentiary items and issues of evidentiary law contained in the Portfolio Project Fact Pattern. With regard to each item, identify all the evidentiary rule(s) an attorney could cite to the court to have the item admitted into evidence or suppressed during trial, and provide an explanation as to your reliance on the particular rule(s). For purposes of this project, assume the Federal Rules of Evidence are the applicable rules as well as any constitutional rules that may apply.

**Note to students: you may need to add rows and columns
