

Who Killed Peggy Hetrick?

Details

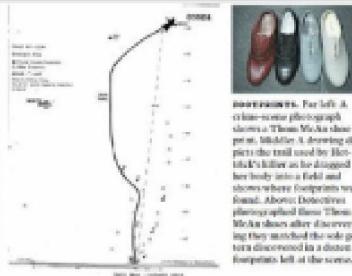

Investigation

It was determined her body was sexually mutilated with almost surgical skill.

Detectives built up a picture of her lifestyle.

She was a regular customer at local bars.

The night of the murder she was in the Prime Minister Pub and Grill with an ex-boyfriend, Matt Zoellner.

Investigation. Far left: A close-up photograph shows a tire tread found at the scene. Middle: A drawing depicts the trail used by Hetrick's killer as he dragged her body into a field and then discarded the tire tread. Above: Detectives photographed these tire treads after discovering they matched the sole pattern discovered in a dozen footprints left at the scene.
